MacroPoint – View Tracking Sessions

The image shows a screenshot of the MacroPoint LITE web application. At the top, there is a header with the MacroPoint LITE logo on the left and a 'MAIN MENU' button on the right. Below the header, the page title 'Tracking Requests' is displayed. The main content area is titled 'Partners Requesting Tracking From You' and contains a table with tracking requests. The table has five columns: 'Tracking Requested From', 'Load ID', 'Created Date (ET)', 'Setup', and 'Delete'. There are seven rows of data, all from '3PL' partners. The 'Setup' link in the first row is highlighted with a yellow box.

Assigning tracking requests is a manual process but we do have an API available to automate the assignment.

If you'd like to implement this, please have your IT team contact our Carrier Onboarding team at MPActivations@descartes.com, and we can set you up for automation.

Thank you for your time!
